

Principally Speaking ...

"Thank you" goes out to all the parent volunteers who were able to help out at our Valentine's Celebrations. It was nice to have each of you back in our building and help our students have fun with their classmates. Even with the restrictions on the amount of volunteers we were allowed, it was a great turn out and greatly appreciated! Appreciation and thanks also is due to our Westview PTA for sponsoring our celebration for our students. Our students enjoyed a fun party which included an inflatable obstacle course, photo opportunity and lots of fun with classmates! Thank you Westview PTA!

Students at Westview in the 3rd, 4th, 5th and 6th grades will be taking the annual MAP assessment in the upcoming fourth quarter. Your student's teacher will be sending home a schedule for their testing dates and times. Your cooperation when scheduling appointments to avoid testing times is appreciated as student's testing in their regular classroom setting is beneficial. Thank you!

Spring Break is quickly approaching... there will be no school Monday, March 21st through Friday, March 25th. Classes will resume on Monday, March 28th. I hope you are able to find some fun family activities during the break to enjoy together!

2022 Kindergarten Kickoff! Open House

We are excited to welcome our incoming Kindergarteners to Westview! We are looking forward to having our Kindergarten Kickoff! Open House in person this year on March 10, 2022. This will be an open house format from 4:30-6:30 pm. If you or a neighbor have a child turning 5 before August 1, 2022 we invite them and look forward to registering them as our incoming kindergarten students for the 2022-2023 school year. Online registration information will be shared at Kindergarten Kickoff! or please see the registration video posted on each elementary school's website. The online registration opens on March 11 and will remain open through May 25. For more information, preview this [flyer](#) (available in both English and Spanish) and feel free to share with a friend or neighbor if their child will be attending kindergarten next year!

Summer School 2022

Elementary Summer Learning will occur at seven elementary school sites (Cedar Creek / Hawthorn Hill / Highland Park / Longview Farm / Richardson / Sunset Valley / Westview) and two middle school sites (Underwood / Pleasant Lea Elementary) this June. Look for more information coming soon!

Masks and COVID-19 Protocols

The following information was sent out to all LSR7 families on February 24th. The LSR7's indoor mask requirement expired at the end of the school day on Thursday, Feb. 24, 2022. Masks are recommended but not required for students, staff members, parents and visitors within district facilities. At this time, and in consultation with the Jackson County Health Department, there are no additional changes to LSR7's current COVID-19 mitigation plan.

- Positive individuals in our school community stay home for up to 10 days but have the ability to return to school after five days if symptoms are resolving and a mask is worn for days 6-10. Students and staff who are presenting with COVID-19 symptoms must stay home for at least five days or provide a negative PCR or antigen test conducted in a lab setting to return to school. If a student is symptomatic after being exposed to a positive individual then they must provide a negative PCR test to return to school earlier than five days.
- School officials will continue to contact trace COVID-19 cases when clusters of positive cases occur in high-risk settings, including indoor sports. We will also continue to contact trace any cases in medically-fragile classrooms.
- Our general communications about positive cases in school environments and weekly COVID-19 dashboard updates will continue.

Where your student will sing and dance about pigs who love to clean, chickens that can really shake a leg, gourmet goats, and cows that are udderly amazing, and more!

When: March 17th
6:00pm for 1st Grade
7:00pm for 2nd Grade
Where: Westview Elementary Gym

Additional Practice: If your student would like to practice more to prepare for this performance, there are several tracks located in their schoology music course.

Costumes/Set: If your students would like to arrive at school wearing their designated barnyard animal, they may choose to do so. These costumes are **NOT REQUIRED**, but they do make the performance a little more fun! Each student will have a prop for them as well for the performance.

Please let me know if you have any further questions about the performance! Looking forward to our first in-person performance!
